

QUALITY POLICY STATEMENT

Our aim is to be recognised as a leading specialist subcontractor for the supply and installation of all Passive Fire Protection which includes Fire Protection, Fire Stopping and Air and Acoustic Sealing.

We are always seeking to provide excellence in quality and client service. We want to increase our reputation, to become a leading provider of Passive Fire Protection through delighted clients and a high level of repeat business. We will always strive to deliver excellent value, through the highest quality, delivery and performance. In addition, we will adopt the highest business ethics and professional standards in all that we do; sharing the same ethics as the best of our professional clients.

We will aim to be forward thinking and innovative, in finding the best solutions for our clients' needs.

This Quality Policy supports the company's vision and mission.

In order to deliver these objectives, we are committed, our Quality Management System which is structured against ISO 9001:2015, to a programme of continual improvement. In particular, this programme is based on a set of business key performance indicators and through regular audits of our management systems and working practices.
